Unleashing Nature's Potential

EASY GROW DOOR MATTS® Twisted Coir Door Mats

EASY GROW DOOR MATTS® Products prevent penetration of dust and can be easily cleaned by a vacuum cleaner. For functional purposes and durability of the coir pile mat, it is compressed with rubber at various points to form into a dense coir brush mat with end designs. The solid vulcanized rubber also strengthens its edges and the bottom layer.

Coir carpet in its natural colour tends to blend better with any colour and design of the interior architecture. Latex backed coir carpets offer the following benefits and features to solve the natural problems in a natural way.

UNIQUE CREATIVE DESIGNS:

PVC tufted (backed) mats and rolls are made by tufting natural coir fibre into PVC backing. The vinyl backing provides anti slipping and ensures very low fibre shredding properties. These mats are bleached and then stencil printed in order to give clear surface so that the designs will be very clear & gives a improved aesthetic look. The designs will be more vibrant due to bleach base and they will add to the beauty of your floor.

ADVANTAGES OF COIR MATS:

Printed coir mats and mats with beautiful designs are ideal for using at the entrance way of the house can give a beautiful look to the entrance way of the house. Even you can use the same kind of mats to your shops for attracting patrons. There are various designs available in the market.
