

**EASY GROW PREMIUM STATER®
Coir Briquettes**

**Product Code
COIR10010301**

EASYGROWPREMIUMSTATER® is a Special Blend Organic Growing medium -100% Coir for This product is specially made for Hobby Market; these products are excellent for Horticulturalists, Green house owners, commercial nurseries, and large, medium and small-scale growers. It expands when water is added; just by adding water we can obtain 10 liters of potting soil mixture. It is also soil builder's ultimate organic fertilizer, multi-purpose soil conditioner economical and long lasting.

Description:

100% coconut coir dust, it is naturally bio-degradable, and it comes as by product from coconut fibre industry. It is the left-over dust after fibre is extracted from fresh water cured coconut husks. After extraction of dust, it is stored in open air for 2 -5 years before using. This product is then put through our vigorous quality control measures made in compressed foam for an economical way of Transport.

Application:

- Potting mix
- Hydroponic Growers
- Nursery & Garden centre professionals
- Seedling Nurseries
- Horticulture and Floriculture applications
- Home Gardening (indoor and outdoor) and for landscaping use
- Certification
