Easy Grow Coir Mesh Matting Roll (Knitted Geotextile)

Product Code
COIR60050101

EasyGrowCoirMesh® Matting Roll are manufactured mixture of coco fibers and coco peat. The **Coir mat** is made of 100% Bio-Degradable natural fibers and is designed to last longer period and very durable. The Coir Mat is an ideal product to prevent erosion on slopes and on water lines and often it used in combination with our **EasyGrowCoirLogs®**.

Soil erosion can be a serious natural problem, resulting in serious damages to water sources, wildlife and open landscape. Erosion is the result of several processes and can be divided into three phases, such as loosening of particles, soil transport and sedimentation.
